

1969

Fanatic Middle East dictator state has invaded small underdeveloped country. In desperation, this tiny land enlists the services of the...  
... "DEVASTATORS".

Who are these guys? ... the best, most efficient, ruthless, disciplined ... and most expensive 2-man team of freedom fighters in the world.

Two soldiers go to the battlefield...

Two men against overwhelming odds...

For the **GLORY**, the **MONEY**.....  
and to feed the **BEAST**  
inside their body!!!!

**BEWARE!** All of your weapons' ammo, except the UZI, is limited to the number of shells shown above. Make each one count!

Starting your mission, you are armed with an UZI sub-machine gun and 20 grenades.

After completing the enemy, the additional weapons available will be shown on the screen at certain intervals.

By shooting up the enemy guards and picking up their weapons, you can add these additional weapons to your arsenal.

You can choose Molotov cocktails and a Grenade launcher at the same time (you select 1 to be picked up) or Bazooka at any time.
